RISHIKA DHANUKA
CSE STUDENT AT SRMIST

ABOUT ME

I am a passionate second-year Computer Science and Engineering student at SRM University, eager to expand my knowledge and skills in web development. With a love for coding and problem-solving, I have completed three internships where she contributed to various projects, including the development of two significant applications.

INTERNSHIPS

DATA SCIENCE INTERSHIP AT 1stop.ai   *May 2024 - June 2024*

- It was a 2-month long internship. where I learnt a lot abput data science and worked on interestings hand on project which were Hate Speech detection,SMS Spam Classification and Credit EDA project.
- Enjoyed working with python and its libraries like numpy and pandas interated with coding on jupyter notebook

AICTE COHORT-8 INTERNSHIP   *April 2024 - June 2024*

- A virtual internship where i gained knowledge about AIML

AICTE COHORT-9 INTERNSHIP   *July 2024-September 2024*

- A virtual internship where i gained knowledge in Cyber Security Domain

Over the course of three internships, I've gained valuable experience in coding, working on real-world projects, and improving my technical proficiency. My experience has mainly focused on coding in various languages.Joining CSI would be a valuable opportunity for me to learn the fundamentals of web development, work with experienced peers, and contribute to projects. I am highly motivated to improve my skills in HTML, CSS, JavaScript, and other web technologies, and I am excited to learn from and collaborate with others in the club.

HOBBIES

- Coding
- Listening to Music
- Swimming
- Shooting
- Binge Watching
- Calligraphy
